ABOUT US

Established in 2017, our Brand **V Drains** is one of India's leading manufacturers of bathroom, interior, and commercial drainage systems.

Our mission is to deliver the best drainage and fluid flow solutions through innovative design, advanced technology, and reliable service.

We provide sustainable and intelligently designed products that help customers efficiently manage water flow areas with high-performance drainage systems.

With deep industry expertise and world-class design capabilities, V Drains continues to grow exponentially by creating customized drainage solutions that meet modern customer requirements.

ROOF DRAIN

VACUUM ROOF DRAIN / SYMPHONIC DRAIN

Efficient Drainage for a Safer Tomorrow

-  HEAVY DUTY
-  DURABLE
-  HIGH FLOW CAPACITY

Product Name:
Roof Drain / Vacuum Roof Drain /
Symphonic Drain

Primary Product Code:
VRD-12

Material:
1. CI Body + Al Grating
2. Cast Iron + Cast Iron Grating

Outlet Size:
2 / 3 / 4 / 6 / 8 / 10 inch

HSN Code:
7325

Built
for
Better
Tomorrow

HIGH FLOW DRAINAGE
Designed for heavy rainfall

DURABLE CONSTRUCTION
Cast iron body for long service life

CORROSION RESISTANT
Aluminum grating with rust protection

IDEAL FOR LARGE ROOFS
Suitable for commercial, industrial & residential buildings

MATERIAL SPECIFICATIONS

Drain Body	Cast Iron (CI)
Grating (Dome)	Aluminum
Screws	Stainless Steel (SS)
Outlet Pipe Size	2 / 3 / 4 / 6 / 8 / 10 inch
Product Code	VRD-12
HSN Code	7325

RELIABLE DRAINAGE FOR A SAFER TOMORROW

Engineered for strength, durability and long-lasting performance even in the harshest weather conditions.

PRODUCT HIGHLIGHTS

- 

Aluminum Dome Grating
Strong, rust-resistant and durable.
- 

Cast Iron Main Body
Heavy duty for long service life.
- 

Stainless Steel Screws
Corrosion resistant and reliable fixing.

APPLICATIONS

- 

Commercial Buildings
- 

Industrial Sheds
- 

Residential Complexes
- 

Terraces & Flat Roofs
